

Production specs

PRODUCTION

Sound - A suitable sound system including one **(1) professional, handheld wireless microphones** (Shure Beta 87 or SM 58 or similar quality); **a compact disc player; a reverb unit, Two Fold-back wedges, a qualified sound engineer** is also required.

Microphone stands – **1 x weighted round based adjustable mic stands**

Lighting -A general stage wash is required with one (1) follow spot if performer is entering the audience.

Staging - A stage or designated performance space is required for up to 100 guests; A stage with a suitable clear performance space *must* be provided for large venues and/or where there are over 100 guests. Where the performance is for a cocktail style function, suitable staging must be arranged throughout the room and should be discussed with the managing agent.

A central staircase from stage to dance floor where performer is entering the audience.

Performance -The performance time for *The Rat Pack,s Back* is approximately twenty-five minutes to forty five minutes during the main course or after main course is cleared. Please confirm with the agent the requested performance set time prior to the date of the performance.

We require: - Please read carefully and sign off with the managing agent

- **Floor plan and confirmed event run schedule to be provided to the managing agent.**
- **Suitable PA system** (*More speakers needed for large events. Speakers must be placed evenly around the room so as to obtain equal sound coverage*)
- **Experienced Sound Engineer** (*where we do not supply our own*)
- **1 x Hand-held radio microphones** (*Shure Beta 87 or SM 58 or equivalent*)
- **1 x round weighted based adjustable microphone stands**
- **1 or 2 x fold back wedges** (*depending on performance and stage size, to be placed either side of the central staircase and angled in*)
- **1 x Reverb/effects unit** (*Often comes as part of the PA*)
- **1 x CD player** (*for backing tracks and when a live band isn't being used*)
- **1 x Follow spot with operator** (*where applicable*)
- **Stage wash** (lights) suitable stage wash is required on the stage and main performance space.
- **Stage** (*minimum size 3m wide x 2m deep of with suitable clear performance space - staging requirements may vary depending on audience, band, dancers and venue size and must be discussed with the managing agent prior to the date of the performance.*)
- **Stairs from centre stage down to audience level** (where required).
- **MC introduction** – The agent will provide an MC introduction for Miss Bird Sings prior to the date of the performance.
- **Live band option – (instead of backing tracks)**
