

## **PRODUCTION**

**Sound** - A suitable sound system including three (3) **professional, handheld wireless microphones**; a **compact disc player**; a **reverb unit**, **2 to 3 fold-back wedges** and a **fully qualified sound engineer** is also required.

**Lighting** -A general stage wash is required. Two (2) follow spots are requested for fewer than 300 guests. **Three (3) follow spots** are required for functions where guest numbers exceed 400. (Follow spots are optional)

**Staging** - A stage or dance floor is required for up to 100 guests; A stage with a clear performance space no less than 4 m x 2.4m *must* be provided for large venues and/or where there are over 100 guests. **A small drinks table with (3) Martini Glasses or wine glasses filled with water** to be set far stage left onstage. For 300+ guests surround sound/delay speakers are required. Where the performance is for a cocktail style function, suitable staging must be arranged throughout the room and should be discussed with the managing agent. **A central staircase from stage to dance floor is essential.** A Star Cloth is requested as a stage backdrop. A floor plan is required as soon as possible prior to the function.

**Performance** -The performance time for *Ooh James!* is approximately twenty-five to thirty minutes during the main course or after main course is cleared. ***During the performance there must be no service or clearing.***

A surround sound, concert hall, effect is critical to ***Ooh James!*** performance. To ensure this, it is imperative that speakers be placed evenly around the room. Three (3) professional hand-held radio microphones (Shure Beta 87 or SM 58 or similar quality) are required in conjunction with a reverb unit and PA system suitable to the venue size.

**We require:**

- **Floor plan provided to SMA Productions.**
- **Minimum 4 speaker PA system** (*More speakers needed for large events. Speakers must be placed evenly around the room so as to obtain equal sound coverage*)
- **Experienced Sound Engineer** (*where we do not supply our own*)
- **3 x Hand-held radio microphones** (*Shure Beta 87 or SM 58 or equivalent*)
- **2 to 3 fold back wedges** (*split centre stage either side of the central staircase.*)
- **1 x Reverb/effects unit** (*Often comes as part of the PA*)
- **1 x CD player** (*for backing tracks*)
- **2 Follow spots with operators** (*Over 300 guests = 3 Follow spots – Optional and depending on the event*)
- **Stage** (*minimum size 4 m x 2.4m of clear performance space - staging requirements may vary depending on audience and venue size and must be discussed with SMA Productions prior to the event*)

- **Stairs** from centre stage down to audience level are required.
- **Small drinks table** (*cocktail style*) *Set far stage left*)
- **Martini Glasses** – (*3 x martini glasses filled with water set on the drinks table prior to the start of the performance*)
- **Star Cloth backdrop** (*is requested wherever possible unless other theming is being used*)
- **A haze machine is also advisable for this show.**
- **Event Run Order** (*A confirmed event run order to be supplied to the managing agent*)
- **An MC introduction** will be provided by the managing agent prior to the date of the performance.
- **For the artists** - 3 x catered main meals, white and red wine, mineral water and diet coke are requested.
- **A private change area or dressing room**
